

AROUND THE LAVENDER

From mid-June to mid-July, lavender blossoms on the Valensole plateau to our delight. Fields on both sides on our road... A real pleasure !

Live a sensory experience with a Master Perfumer !

Would you know the difference between Lavender and Lavandin ? Listen to this olfactory tale which will reveal the secrets of Lavender. Smell, appreciate and tame it before...

Participating in a **perfume creation workshop** : our Master-Perfumer will guide you through the composition, the blending and measuring of the ingredients to create and personalize your fragrance ...

You will be leaving with your flask of fresh water.

Free time for lunch in the small provencal village of Moustiers-Ste-Marie, famous for its earthenware.

An olfactory tale and a workshop to make your own fresh water, just in the middle of the lavender fields, with a Master-Perfumer ???? Do not wait any longer to book your private van for an exceptional day.
